

## **MDP Admissions**

### **FAQs**

---

#### **1. Program Start Date:**

Could you please confirm the official start date for the MDP program? Admission process date (as I'm looking to start immediately)

A. The academic year begins towards the last week of July. The admission process begins with filling the form (available during mid-March to 25th May). The shortlisted candidates would be invited for the written test & interview in the third week of June.

#### **2. Placement Access:**

I understand that the MDP program does not provide access to IIT Bombay's regular placement services. Could you kindly explain the reasoning behind this policy? What if I want to avail it.

A. The 1-yr program is designed for the working professionals and hence the participants are not eligible for the placement services.

#### **3. Credit Transfer:**

Is it possible to transfer previous academic credits towards the MDP program? If so, I would appreciate information on the process and any criteria that must be met.

A. MDP is a specialized program designed for development professionals, and the suggested courses need to be completed for the degree program. MDP has a provision to complete 12 credits (2 courses) through NPTEL.

#### **4. Examination Mode:**

Will the examinations for the program be conducted in person, or will they be administered online?

A. The final examinations for the program are conducted on campus in person.

5. Fees: Will the fees remain the same? As mentioned earlier.

A. Yes, the fees will remain three lakhs.
